

WaWylo Invitational Sale

Millington, Tennessee April 4, 1962

Animal Husbandry students at Mississippi State University showing a class of Shorthorn heifers bred at the University. Isn't this the best way to introduce young cattlemen of this area to the advantages of good Shorthorns?

In any undertaking people go further when they pool their strength.

Any of the herds participating in this sale could conceivably hold a sale by itself. However, by taking the very best from each we proved last year that we could present an offering that made every breed enthusiast proud. Here is another such offering.

On the front cover . . . Henry Coleman Dilatush, son of Mr. and Mrs. Walter Dilatush, on his favorite mount, in pasture with three daughters of Juggler's Type x and the great white bull, Scotsdale Polaris. This blood is strongly featured in the WaWylo consignment.

Practically all of the pictures in this catalog are unretouched amateur photographs.

WA WYLO FARMS

W. H. & Walter Dilatush, Millington, Tenn.

Eight bulls . . . ten female lots.

RED LINE FARMS

R. B. & A. V. Stimson, Dumas, Ark.

Two bulls . . . three female lots

ELAM BAR FARMS

Sherrill Parks, Obion, Tenn.

Two female lots

R. B. Stimson receives the trophy from the Kentucky Lassie Queen for the female grand championship at the 1961 Kentucky National Futurity, won by Redline Secret Standard, a daughter of W. L. Bank Standard 24th. Next right from Mr. Stimson is the judge, Don Hutzler, Acadia Farms, and Richard Yarnell, manager of Redline Short-horns holds the champion. Right is B. Hollis Hanson and his reserve grand champion.

These three bulls sold in the 1961 WaWylo Invitational Sale. L. to R.: WaWylo Juggler's Type 42d x, sold at \$700 to Rex Dilbeck, Gassville, Ark. (a full sister sells); WaWylo J. Type 5th x, sold at \$600 to Johnson Bros., Frenchman's Bayou, Ark., and WaWylo Masterkey x, sold at the top for bulls, at \$775, to John H. Johnston, Wynne, Ark.

Welcome to WaWylo Farm...

This catalog extends to you our most cordial invitation to attend the fourth WaWylo production sale, April 4. Always, we feel honored when friends of Shorthorn and Polled Shorthorns visit WaWylo . . . and those who come to look and learn are just as welcome as those who come to buy.

Again this year we are honored to have four of the very best Shorthorn and Polled Shorthorn herds in our area join us in this sale. Each of these herds has a fine record of accomplishment in its own right. Each is presenting a strong offering . . . a rare opportunity for the purchase of cattle of the highest quality. Our endeavor in this sale is to establish a fountainhead for foundation cattle for purebred breeders throughout the land.

We have limited our footnotes to facts and simple descriptions. The pedigrees speak for themselves. It is a source of great satisfaction to see the cattle sold in our three previous sales doing well and enhancing the herds into which they have gone.

We hope you will plan to arrive a day early to study the offering and to visit with us. We will be most happy to arrange overnight accommodations near the farm for all who request them. All of us are looking forward to your visit.

*W. H. & Walter Dilatush
Ross Evins, Herdsman*

GENERAL SALE INFORMATION

TIME: Sale at 12:30 p.m., Wednesday, April 4, 1962. Plan to arrive early, the day before, if possible. The cattle will be outside where you can see them leisurely.

LUNCH: Lunch will be available at the farm.

LOCATION: WaWylo Farm is located 14 miles north of Memphis, Tenn., or 3 miles northwest of Millington, Tenn. To reach the farm from Memphis, take U.S. 51 north, see farm sign on U.S. 51, ½ mile north of Millington, Tenn., and this sign will direct you to the farm. We ask all who travel by train or plane to advise us in advance so that we can meet them in Memphis.

HEADQUARTERS: Rip Van Winkle Motel is just three miles from WaWylo Farm on U.S. 51 in Millington, Tenn. A modern, comfortable Motel with sound proof rooms, room phones, swimming pool and 24-hour restaurant, also, there is a Holiday Inn Motel on U.S. 51, north of Memphis and 11 miles from the farm.

FARM PHONE: Millington, Tenn. — 872-3143.

TRANSPORTATION: Transportation will be provided to and from Memphis Airport and Railroad Station. Please notify us of your plans.

GUARANTEE: All cattle will be sold under the Standard Guarantee of the American Shorthorn Breeders' Association.

HEALTH: The cattle will be tested for T.B. and Bang's within 30 days of the sale, with the exception of under-aged vaccinated heifers in which case vaccination certificates will be provided. Interstate health charts will be provided out-of-state buyers. Since regulations differ all buyers must be aware of the regulations of their own state.

SALE MANAGER: Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois.

LANDING STRIP: Millington Municipal Airport is shown on air maps as Field 21. It is a hard surfaced runway.

MAIL BIDS: Those wishing to buy who cannot be present at the sale may send bids to any of the following:

C. D. Swaffar, Secretary, American Shorthorn Assn., Union Stockyards, Omaha, 7, Nebraska.

R. G. Heine, American Shorthorn Assn., R 4, Box 100B, Gainesville, Fla.

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

Ed Rouze, Frankewing, Tenn.

Bob Baker, The Livestock Weekly, 248 Madison Ave., Memphis 3, Tenn., or to any of the consignors or auctioneers.

AUCTIONEER: Dick Kane, Wisner, Nebraska.

REGISTRY: A certificate of registry will be provided for each animal sold, properly transferred to the new owner. Applications for registry will be provided for each calf sold in dam.

Where footnotes appear in this catalog they were written from information supplied by the owners.

We shall not be liable for any accident that may occur, but will make every effort to provide for the safety and comfort of those attending. Accidents at cattle sales are rare, but all attending must do so at their own risk. The guarantee and terms shall constitute a contract between the buyer and seller of each lot. The sale manager was retained for specific tasks promotional and clerical and has nothing to do with the handling of the cattle or the condition of the premises. Neither the sale manager, clerk, or auctioneers can assume any liability.

Sherrill Parks holds Nordic Sportsman which he showed to the reserve grand championship of the 1961 Denver National Western Shorthorn Sale, where he sold to E. W. Davidson & Son, Americus, Kans. The Elam Bar cattle have shown and sold well in many states.

Good cattlemen from 15 states have purchased cattle in the three preceding sales that have been held at WaWylo. This is conclusive evidence that these cattle sold here meet the high standards of excellence demanded by progressive breeders today.

The owners of these cattle are dedicated to the breed. Each has served his state and national associations in numerous capacities. One or more of them have served as presidents of the American Shorthorn Association, American Polled Shorthorn Society, Mississippi Shorthorn Association, Tennessee Shorthorn Association, and the Arkansas Shorthorn Association.

The cattle in this sale are a credit to the breed and will speak for themselves.

**Don Longley,
The Shorthorn World.**

SCOTSDALE POLARIS

For selective breeding in the WaWylo herd . . . and, in particular, on the daughters and granddaughters of the 100% dehorned, Jugger's Type x . . . late in 1959 we purchased this young bull from S. G. Bennett, Scotsdale Farms, Georgetown, Ontario. His dam, the top-selling open heifer at Perth, was purchased by Bennett and left at Bapton to be mated to Bapton Roan Robin. Scotsdale Polaris was the result.

This is the blood that has been writing Shorthorn history. Although the \$50,000 Bapton Constructor has, and continues, to sire many outstanding bulls, Bapton Roan Robin, his first son, is perhaps the leading sire of all his sons. Louada themselves selected a Bapton Roan Robin son to follow in their herd. The 1961 International grand champion bull is a three-quarter brother to Polaris.

Many of our most respected Shorthorn breeders and judges who have seen Scotsdale Polaris have been greatly impressed. We feel certain you, too, will be impressed when you see him sale day in his working clothes.

We are exceptionally well-pleased with his calves. Three sell in this sale at side of dams.

JUGGLER'S TYPE (unretouched amateur snapshot)

JUGGLER'S TYPE

By far the greatest sire that it has been our privilege to own. We rate him great not because he has sired a number of champions, but because all of his calves are uniformly good headed, good bodied, good doing cattle. His calves scattered throughout the Southeast and Southwest are proving him to be a greater sire today than he was five years ago when we first offered his calves.

Very important is the factor that he is a 100 per cent dehorner. This has enabled us to use a lot of good horned breeding to improve our polled cattle. A number of his sons have been 100% dehorners.

Breeders of other breeds, as well as many of our own breeders, have stated he is certainly a close approach to the model for which all breeders are striving. Two of his sons, two grandsons, seven daughters, three granddaughters, sell in this sale.

WaWYLO COLLYNIE 3d—A bull that we have had confidence in from calfhood. He has always been a very rugged, burly individual with lots of scale. He is out of one of the greatest cows that we have owned. Ashbourne Rosewood 6th has produced more outstanding calves by three different bulls than any cow in our herd. His calves are proving him to be a great breeding bull. Two sons and a daughter sell in this sale.

**TWO INFORMAL VIEWS OF
THE BULLS SELLING IN THE
WA WYLO CONSIGNMENT.**

The two white calves, left, sired by the white bull, extreme left, purchased from WaWyo Farms, indicates what a good Polled Shorthorn bull can do when mated to cows of mixed beef and dairy breeding, like the two shown in the picture.

Below: A family portrait. Mama is one-half Shorthorn and one-half Holstein. Dad is a white ton Polled Shorthorn bull from the WaWyo herd. Note the depth and thickness of their calf.

Several years ago John Aycock, Memphis, Tenn., purchased a Polled Shorthorn bull from WaWyo Farms. His experience is typical of the many cattlemen using Shorthorns and Polled Shorthorns in their cross-breeding programs. Here is what he said:

"Several years ago I realized the need for another source of income from my cotton farm, located in Shelby County, Tenn. I decided on a cow-calf program.

"Due to limited funds, I purchased 30 mixed dairy-bred cows for this project. I wanted to produce choice heavy calves for the market and also I wanted good heifers for size and milking qualities for replacements.

"With this in mind, I purchased a good registered Polled Shorthorn bull from the Dilatush herd, Millington, Tenn. This combination was unusually good, with good demand for all calves I could produce.

"Two years ago I purchased another outstanding Polled Shorthorn bull from the Dilatushes. The results from this cross is shown by the sale receipts from C. M. Raffety Commission Co., at the National Dixie Stockyards, Memphis, Tenn. Wilson Packing Co. bought all of these calves and I received one and two cents per pound premium above the market on these calves."

CALVES SOLD IN 1960

12 calves	8 mos. old average wt.	631 lbs.
1 calf	9 mos. old average wt.	696 lbs.
1 calf	10 mos. old average wt.	734 lbs.
1 calf	8 mos. old average wt.	608 lbs.
1 calf	9 mos. old average wt.	620 lbs.
4 calves	7 mos. old average wt.	520 lbs.

Here's What a Shorthorn or Polled Shorthorn Bull Can Do For You!

El-Brook Gipsy Maid 18th x

**1959 International Grand Champion
Polled Shorthorn Female.**

**Bred by Ray Peebles & Son, Smithville, Arkansas.
Exhibited by Thieman's Polled Shorthorns,
Concordia, Missouri.**

**Above in photo: Left to right, Earl Peebles, Mrs. Harold Thieman,
Jess Peebles, Charles Nickel, and Harold Thieman.**

Last year in the WaWylo Invitational Sale, Ray Peebles & Son offered a full sister to the 1959 International grand champion female, shown above. She topped the sale at \$1,025 going to J. R. Bolin, Batesville, Ark.

These two full sisters were just the start of a great group of calf crops by her sire, Hallwood Royal Nevada. This year the Peebles sell two of his sons and a daughter, and Redline sells a son.

Not many bulls sire an International grand champion. Here is a great opportunity to buy the get of one that did.

Red Line Shorthorns Dumas, Arkansas

**Mr. and Mrs. Robert Stimson,
owners of Red Line Farms, Dumas,
Arkansas.**

The Redline herd is comparatively young in terms of years. In 1955, Bob Stimson purchased the 115 head in the Ray Yarnell herd, and Redline Shorthorns have been winning championships and bringing top prices at the important shows and sales in the Arkansas, Louisiana, Mississippi, Kentucky, and Tennessee areas. His champions at the Kentucky National Futurity Shows and Sales alone, put his herd in the top drawer of Shorthorn breeding.

The high regard in which Bob Stimson is held by Shorthorn breeders everywhere was demonstrated at the 1961 annual meeting of the American Shorthorn Association when he was elected to serve on the National Board of Directors.

Three of the good females in the Mississippi State University herd. The one on the left is a full sister to MSU Elation, Lot 14; the heifer on the right, MSU Collynie 3d, is a half-sister and was champion at Houston in 1961. Both are half-sisters to MSU Tempest, Lot 15. Both are out of Hillcroft Good News 2d daughters. The white heifer is a daughter of Hillcroft Good News 2d, and therefore half-sister to Lot 42.

The MSU Herd

The Shorthorn herd at Mississippi State University is not a casual part of its beef program, but a vital, progressive, strong herd that competes successfully with top herds at the shows and sales.

Herd bulls have been chosen with care. One after another have proved to be outstanding sires. The heifers above are a testimonial to that . . . great depth, smoothness and character are bred into all the MSU Shorthorns. In this offering two bulls and a female sell by Edellyn Brisket, a half-brother to three International grand champions, also a daughter of Hillcroft Good News 2d and two females by Kickapoo Charger. Service sire is Kickapoo Highland Chief, half-brother to many International tops and champions.

Kickapoo Highland Chief, reserve grand champion, Houston Fat Stock Show, 1961 for Mississippi State University. He is service sire of two selling in the MSU offering.

A Herd On The Go!

Crichton Burco, newest sire in the Elam Bar herd, is service sire of both females offered by Sherrill Parks. He is an imported son of Tolquhon Bosco, sire of the Perth Supreme Champion, Crichton Buzzard.

Sherrill Parks' Elam Bar herd has had champions and top-sellers at the Mid-South Fair, Southeastern Regional Shows & Sales, Denver National Western Shorthorn Sale, Kentucky National Futurity Shows & Sales, Tennessee State Sales, and the "Best of Midwest" Sale at Springfield, Illinois.

In 1960 he added the Nordic Herd from Chicago industrialist Edward Peterson with its many top females, and in 1961 acquired the half-brother to a Perth Supreme Champion shown above to add new strength to a growing herd.
